

# Automotive Tachometers 7 Color Series

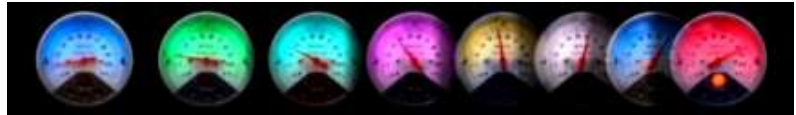

313-95-42

3 3/8 inch Color Auto change/selectable Tachometer

## Features:

1. 7-color auto switch / selectable illumination
2. Internal LED shift light with end-user configurable redline
3. Silver housing with 3 3/8" chrome bezel
4. White face with black markings and red pointer
5. 4/6/8 cylinder selector switch
6. Integrated mounting pedestal
7. 11,000 RPM maximum reading
8. Can be fully customized for your special needs
9. OEM/ODM/private label available

313-95-34

3 3/8 inch Color selectable shift light Tachometer

## Features:

1. 7-color selectable illumination and 7-color auto cycling
2. Internal LED shift light with end-user configurable redline
3. Silver housing with 3 3/8" chrome bezel
4. White face with black markings and red pointer
5. 4/6/8 cylinder selector switch
6. Integrated mounting pedestal
7. 11,000 RPM maximum reading
8. Can be fully customized for your special needs
9. OEM/ODM/private label available

# Automotive Gauges

## 7 Color & EL Series

Oil Pressure

Water Temp

Oil Temp

Volt Meter

Air/Fuel Ratio

Turbo Boost

### Features:

1. White face with black markings and red pointer.
2. 7-color selectable illumination.
3. Silver bezel and silver housing
4. 2" mounting diameter.
5. Can be fully customized for your special needs
6. OEM/ODM/private label available

# Automotive Gauges & Tachometer

## LED Display Series

Volt Meter

Water Temp

Oil Temp

Oil Pressure

Air/Fuel Ratio

Tachometer

### Features:

1. LED indicator.
2. Silver bezel and silver housing
3. 2" mounting diameter.
4. Can be fully customized for your special needs
5. OEM/ODM/private label available

### Features:

1. LED indicator
2. Combine air/fuel ratio, water temperature, oil temperature, and oil pressure sensors
3. Silver housing with 3 3/4" chrome bezel
4. Integrated mounting pedestal
5. Can be fully customized for your special needs
6. OEM/ODM/private label available

# X3 Auto & Motorcycle Alarm System

2 Way Paging Remote Control Models

# X3 Auto & Motorcycle Alarm System

## One Way Auto Alarm Security System

Auto Alarm

### Features:

1. Remote arming /disarming
2. Silent arming
3. Auto arming
4. Panic mode
5. Anti-hijack
6. Emergency call
7. Car finder
8. Shock sensing
9. Auto door lock/unlock

Motorcycle Alarm

### Features:

1. Remote arming /disarming
2. Silent arming
3. Bike searching
4. Overtaking signal
5. Anti-hijack
6. Engine immobilization
7. Remote engine start/stop
8. Code learning
9. Remote control range: 100m

# X3 Auto Reversing Aid

## X3-R01

1. Auto detect barrier
2. 4 ultrasonic sensors, detect accurately
3. Dual-side LED indicator
4. 3-color & 7-stage LED indicator remind of the barrier step by step
5. Installation on bumper

## X3-R04

1. Front and rear detect barrier

5. Installation on bumper

# X3 Auto Reversing Aid

## CMOS Color Camera

1. Reverse vision available when reversing
2. Colorful Vision Pictures
3. Wide View Angle up to 150 degree
4. High quality pictures
5. Waterproof IP57 approval

## CCD Color Camera

1. Reverse vision available when reversing
2. Colorful Vision pictures
3. Automatic white balance
4. Automatic gain control
5. Gamma characteristic
6. Changeable lens mount
4. High quality pictures
5. Waterproof IP57 approval

## Video Changer

When you put the gear to reverse, the monitor screen will change to the rear view vision automatically

# X3 Multimedia

## Automotive DVD Player

### Car DVD Player

1. Compatible with DVD/VCD/CD/CD-R/CD-RW/MP3
2. Remote control
3. IR sensor
4. Mounting bracket

### In-Dash DVD Player

1. Compatible with DVD/VCD/CD/CD-R/CD-RW/MP3
2. Disc scan, repeat, forward, back, random play
3. Three bands for FM, two bands for AM, total of 30 stations preset
4. AM/FM PLL synthesizer tuner
5. Detachable front panel
6. Infrared remote control
7. Two RCA line out

### In-Dash DVD with TFT LCD

1. Compatible with DVD/VCD/CD/CD-R/CD-RW/MP3
2. LCD TFT Monitor
3. High resolution
4. Size selection
5. Brightness, contrast, color, and tint adjustment
6. Zooming function
7. Multiple video input
8. RGB inputs (GPS, DVD)

# X3 Multimedia

## TFT LCD Monitor

### Rear View Mirror TFT Monitor

1. 2.5 or 4 inch TFT LCD
2. Easy installation
3. High quality color picture
4. Color and brightness adjustments

### In-Dash TFT Monitor

1. Large screen TFT LCD
2. High resolution
3. High quality color picture
4. Color, contrast, tint, and brightness adjustments
5. Zooming
6. Multiple video input
7. RGB input (GPS, DVD)

### Roof Mounting TFT Monitor

1. Large screen TFT LCD (size selection)
2. High resolution
3. High quality color picture
4. Color, contrast, tint, and brightness adjustments
5. Build-in door light
6. Universal console installation
7. Slim and compact roof mounting design
8. 1 or 2 video inputs

### Headrest / Stand Alone TFT Monitor

1. Large screen TFT LCD (size selection)
2. High resolution
3. High quality color picture
4. Color, contrast, tint, and brightness adjustments
5. earphone jack
6. 1 or 2 video input
